

*So what are the benefits
of using the Angelfeet®
pedicure file?*

Can be easily used on wet or dry feet

Its outstanding longevity saves both time and money

One-piece stainless steel makes it the safest file out there

*Can be fully sterilized by Autoclave or completely
disinfected with an AccelR product.*

Unparalleled smoothness with its unique patented design

Does not cut or grate the skin

*Angelfeet® is an extremely
long lasting file that
delivers superb pedicures.
Many salons consider it the
standard in the industry.*

Angelfeet® pedicure files are made in the U.S.A.

Angelfeet[®]
Pedicare File

Front Back

Large Pro

The Angelfeet Large Pro is a double sided file available in either a Coarse/Fine or Extra Coarse grade. The file is approximately 7 3/8" by 2" with a large round abrasives surface making for a fast, easy pedicure.

Front Back

Small Pro

The Angelfeet Small Pro is approximately 7 1/8" by 1 1/4" with the same grades as the Large Pro. The long narrow surface shape makes it ideal for small hands.
